ABOUT US

Neev Life Science Pvt. Ltd. is a leading manufacturer and global exporter of premium herbal powders, based in India. With a medium-scale GMP-certified production facility, we specialise in crafting finely milled, nutrient-rich powders from the most trusted and powerful botanicals in the world.

From Moringa – the supergreen praised for its dense nutrition, to Cinnamon – the warming spice known for its metabolic benefits, we cater to growing global demand for natural, plant-based wellness. Our catalog features 40+ herbal powders, including top Ayurvedic staples like Ashwagandha, Turmeric, Amla, Brahmi, Tulsi, and Wheatgrass – all processed with care to preserve their integrity, potency, and natural aroma.

At Neev Life Science, quality is at the core of everything we do. Our process begins with sourcing high-grade raw herbs directly from certified farms and tribal regions. Each batch goes through a multi-step QA protocol:

- Hand selection and sorting to eliminate impurities
- Low-temperature shade drying to preserve phytonutrients
- Microfine grinding using advanced pulverizers for consistent texture
- Metal detection, sieving, and dehumidified packaging to ensure purity and shelf stability
- Lab testing for microbial load, heavy metals, and active compounds

We maintain full traceability and adhere to international export standards, ensuring that each product meets the expectations of health-conscious consumers worldwide.

Under our wellness brand, **HerbsBowl.com**, we elevate these raw powders into thoughtfully developed consumer products – such as herbal capsules, gummies, tinctures, soaps, teas, and nutraceuticals. Whether you're a brand looking for private label manufacturing or an individual seeking trusted herbal support, we deliver nature's power in its cleanest and most effective form.

With an expanding global footprint, a commitment to Ayurvedic values, and a passion for natural innovation, Neev Life Science Pvt. Ltd. is your reliable partner for clean-label herbal solutions – rooted in tradition, backed by science, and built for modern wellness.

FROM FARM TO FORMULATION – A PURE & PRECISE JOURNEY

1

Sustainable Farming & Ethical Harvesting

- We begin with contract farming and ethically sourced herbs from trusted farmers across India. Each crop is organically grown without synthetic pesticides or chemicals.

2

Raw Material Selection & Sorting

- Upon harvest, herbs are visually inspected and manually sorted to remove any foreign matter, impurities, or inferior quality material.

3

Washing & Decontamination

- Herbs are washed with purified water or natural saline solutions to remove dirt, microbes, and residues. Special care is taken to prevent any loss of actives during this step.

4

Drying (Sun/Solar/Dehydration)

- Depending on the herb and sensitivity, materials are dried using solar dryers, hot air ovens, or shade drying. This retains essential nutrients, aroma, and bioactive compounds.

5

Pulverization (Grinding into Powder)

- Dried herbs are ground using SS pulverizers (Stainless Steel) to maintain hygiene. We use low-heat grinding technology to preserve nutritional integrity.

6

Sieving & Micro-Fine Mesh Filtration

- The powder is filtered using fine mesh sieves (60 to 120 mesh) for uniform consistency and smooth texture – ideal for capsules or formulations.

7

Quality Control & Lab Testing

- Each batch undergoes rigorous lab testing for microbial load, heavy metals, pesticide residues, moisture content, and active markers.

8

Packaging (Food-Grade, Bulk or Private Label)

- The powder is packed in double-layer food-grade bags, HDPE drums, or foil pouches as per client need – maintaining zero-contamination environments.

9

Storage & Logistics

- Stored in climate-controlled warehouses, our ready-to-dispatch powders are shipped globally with custom documentation and export compliance.

VERSATILE APPLICATIONS OF HERBAL POWDERS

1. Nutraceutical & Dietary Supplement Industry

Capsules & Tablets

Herbal actives encapsulated or compressed for immunity, energy, digestion, stress relief, and more

Herbal Blends

Custom powder mixes for detox, weight management, hormonal balance, or joint health.

Effervescent Powders

Soluble powders for on-the-go wellness drinks.

Protein Mixes & Superfood Powders

Fortified with Moringa, Wheatgrass, Ashwagandha, Amla, Beetroot,

Gummies

Natural, plant-based chewables for adult and pediatric formulations.

2. Cosmetic & Personal Care Industry

Face Masks & Ubtans

Natural beauty treatments using Turmeric, Sandalwood, Neem, etc.

Soaps & Cleansers

Cold-processed soaps infused with Tulsi, Amla or Moringa.

Effervescent Powders

Hair-strengthening formulations using Bhringraj, Brahmi, Curry Leaves, etc.

Body Scrubs & Polishes and Skin Brightening Creams

Herbal exfoliants with microfine granules also enriched with powders like Liquorice, Sandalwood, or Manjistha.

VERSATILE APPLICATIONS OF HERBAL POWDERS

3. Food & Beverage Industry

Health Teas, Tisanes and Energy & Recovery Drinks

Herbal powders like tulsi, giloy, or mulethi can be brewed in hot water to make soothing herbal teas.

Nutrient Enrichment in food items

Adding value to bakery, snacks, or health bars.

Detox & Morning Drinks

mixing powders like triphala, wheatgrass, or neem into warm water or lemon water. It help cleanse digestive system and improve metabolism.

4. Pet & Veterinary Applications

Animal Feed Supplements

Immunity boosters and digestive aids like Ashwagandha, Turmeric, or Amla.

Each of these categories represents a world of opportunity for manufacturers who seek clean, plant-based, and functional ingredients. Our powders are export-ready, tested for quality, and can be customized to meet regional compliance or formulation needs. Whether you're developing a new product line or sourcing premium-grade raw botanicals, Neev Life Science Pvt. Ltd. delivers consistent excellence – From Farm to Formula.

BEETROOT POWDER

NATURAL BLOOD BUILDER AND VITALITY BOOSTER

Botanical Name

Beta vulgaris

Part Used

Root

Key Nutrients / Actives

Betalains, Folate, Iron

Shelf Life

12–18 months

BENEFITS

Enhances Blood & Energy

Beetroot improves blood quality, boosts energy, and helps with iron deficiency, fatigue, and anemia thanks to its iron, folate, and nitrates.

Boosts Strength & Endurance

It supports physical strength and stamina. Nitrates in beetroot increase nitric oxide, improving blood flow and athletic performance.

Supports Liver Detox & Digestion

Beetroot helps cleanse the liver, supports digestion, and promotes toxin elimination through compounds like betaine.

Improves Skin Glow

By purifying the blood and reducing inflammation, beetroot helps hydrate skin, fight oxidative stress, and enhance natural radiance.

Supports Heart Health & Blood Pressure

Its high nitrate content improves blood vessel function and lowers blood pressure, supporting long-term heart health.

MORINGA POWDER

SUPERFOOD

Botanical Name

Moringa oleifera

Part Used

Leaf

Key Nutrients / Actives

Iron, Calcium, Vitamins A & C, Protein

Shelf Life

12–18 months

BENEFITS

Immunity Booster

Moringa strengthens the immune system with its rich Vitamin C, Zinc, and antioxidants – helping the body fight infections and inflammation.

Supports Digestive Balance

It promotes digestive health, reduces acidity, and helps manage inflammation – making it a great daily detox option.

Nutrient-Rich Superfood

Packed with 90+ nutrients, 7x more Vitamin C than oranges, 15x more potassium than bananas, High iron, calcium, and amino acids,

Regulates Blood Sugar & Cholesterol

Helps manage blood sugar levels and cholesterol, making it beneficial for those with diabetes or heart concerns.

Promotes Skin & Hair Health

Rich in antioxidants and amino acids, Moringa helps reduce signs of aging, supports collagen production, and improves skin and hair health.

ALOE VERA POWDER

DIGESTIVE WELLNESS

Botanical Name

Aloe barbadensis miller

Part Used

Leaf (gel dried)

Key Nutrients / Actives

Polysaccharides, Vitamins A, C, E

Shelf Life

12–18 months

BENEFITS

Improves Digestion

Aloe Vera aids digestion with enzymes like amylase and lipase. It helps reduce acidity, relieve constipation, and cleanse the gut naturally.

Nourishes Skin

Rich in Vitamins A, C, E, and antioxidants, Aloe Vera boosts collagen, reduces acne, and slows aging – a skincare essential worldwide.

Reduces Inflammation & Heat

Its anti-inflammatory compounds (like aloin and acemannan) help calm skin irritation, soothe ulcers, and ease joint pain.

Supports Women's Reproductive Health

Traditionally used to support hormonal balance, Aloe Vera may help manage PCOS symptoms and regulate menstrual cycles.

Detoxes Blood & Organs

Aloe Vera acts as a natural detoxifier, supporting liver and kidney health, improving bile flow, and flushing out toxins.

INDIAN GOOSEBERRY POWDER

A TANGY DOSE OF IMMUNITY

Botanical Name

Emblica officinalis

Part Used

Fruit

Key Nutrients / Actives

Vitamin C, Polyphenols

Shelf Life

24 months

BENEFITS

Boosts Longevity & Vitality

Amla is rich in antioxidants that slow cellular aging, boost immunity, and reduce oxidative stress – promoting long-term energy and wellness.

Powerful Natural Source of Vitamin C

Amla has one of the highest natural Vitamin C levels, even when dried. It supports collagen production, improves iron absorption, and strengthens immune defense.

Reduces Inflammation & Balances Body Heat

Amla helps cool the body, making it effective for managing inflammation, acidity, and heat-related skin issues.

Digestion & Detox

It supports healthy digestion, improves nutrient absorption, regulates bowel movements, and promotes liver and gut health.

Supports Hair Growth & Skin Health

Amla nourishes the scalp, strengthens hair, reduces greying, and enhances skin texture – a go-to for natural beauty care.

ARJUNA BARK POWDER

THE HEART PROTECTOR

Botanical Name

Terminalia arjuna

Part Used

Bark

Key Nutrients / Actives

Tannins, Flavonoids, Saponins

Shelf Life

24 months

BENEFITS

Strengthens Heart Health

Arjuna supports the heart by improving cardiac muscle function, circulation, and regulating heartbeat.

Natural Blood Purifier

With strong antioxidant and anti-inflammatory properties, It promotes healthy blood flow, protects blood vessels, and reduces oxidative stress on the heart.

Eases Chest Discomfort

Traditionally used for chest pain relief, It improves oxygen delivery and cardiac efficiency – helpful for managing angina and boosting exercise capacity.

Calms the Body & Lowers Heat

Known for its cooling and calming effects, Arjuna may help reduce high blood pressure and support nervous system relaxation.

Supports Healing & Bone Strength

Rich in bioactive compounds, Arjuna aids wound healing, tissue repair, and may support bone recovery and skin health.

ASHWAGANDHA POWDER

ANCIENT ADAPTOGEN FOR MODERN WELLNESS

Botanical Name

Withania somnifera

Part Used

Root

Key Nutrients / Actives

Withanolides, Iron, Alkaloids

Shelf Life

18–24 months

BENEFITS

Boosts Strength, Energy & Vitality

Ashwagandha enhances physical performance, reduces fatigue, and supports long-term energy and stamina through its adaptogenic properties.

Reduces Stress & Balances Cortisol

A natural stress reliever, Ashwagandha lowers cortisol levels, calms the mind, and helps manage anxiety and burnout.

Improves Memory & Brain Function

It supports cognitive performance, enhances focus, and reduces brain fog – backed by studies showing neuroprotective effects.

Supports Hormonal & Reproductive Health

Ashwagandha promotes fertility, boosts testosterone in men, and helps regulate menstrual cycles and hormone balance in women.

Fights Inflammation & Strengthens Immunity

It helps reduce inflammation markers and boosts immune defense by enhancing the activity of key immune cells.

BAHEDA / TERMINALIA BELLERICA POWDER

AYURVEDIC DETOXIFIER AND RESPIRATORY TONIC

Botanical Name

Terminalia bellirica

Part Used

Fruit

Key Nutrients / Actives

Tannins, Lignans

Shelf Life

18–24 months

BENEFITS

Natural Detox & Digestive Cleanser

It supports gut health by aiding digestion, cleansing the colon, and promoting regular bowel movements. It also eliminate toxins and supports microbiome.

Supports Weight & Respiratory Health

Helps manage issues like congestion, sluggishness, and excess mucus. Natural expectorant and bronchodilator to clear airways and respiratory wellness.

Promotes Eye Health

Rich in antioxidants like lutein and gallic acid, Baheda helps protect against oxidative damage and supports vision, especially with age.

Eases Cough & Boosts Lung Function

Used for soothing sore throats, coughs, and lung irritation. Its antimicrobial and anti-inflammatory properties help with bronchitis and respiratory infections.

Enhances Skin & Hair Health

Baheda purifies the blood, promotes clearer skin, controls dandruff, and supports healthy hair growth through its detoxifying and antimicrobial effects.

BHRINGRAJ/ FALSE DAISY POWDER

THE KING OF HERBS FOR HAIR AND LIVER HEALTH

Botanical Name

Eclipta alba

Part Used

Whole Plant

Key Nutrients / Actives

Ecliptine, Flavonoids

Shelf Life

18–24 months

BENEFITS

Promotes Hair Growth & Reduces Hair Loss

It nourishes the scalp, strengthens roots, and helps prevent hair fall and greying. Its stimulate follicles and improve scalp circulation, help thicker, healthier hair.

Clears Skin & Purifies Blood

Its antioxidant and anti-inflammatory properties help detox the body, reduce acne, pigmentation, and dullness – supporting clearer, more radiant skin.

Supports Liver Health & Detox

Bhringraj protects liver cells, promotes regeneration, and enhances bile flow – making it beneficial for detox and overall liver function.

Improves Sleep & Reduces Stress

With natural calming effects, Bhringraj helps ease anxiety, reduce mental fatigue, and promote better sleep quality.

Fights Inflammation & Relieves Pain

It helps reduce joint pain, swelling, and skin irritation. Its bioactive compounds support the body's anti-inflammatory response and provide natural pain relief.

BRAHMI / BACOPA MONNIERI POWDER

THE BRAIN TONIC OF AYURVEDA

Botanical Name

Bacopa monnieri

Part Used

Whole Plant

Key Nutrients / Actives

Bacosides, Alkaloids

Shelf Life

12–18 months

BENEFITS

Boosts Memory & Brain Function

It enhances focus, memory, and learning by supporting key brain chemicals like serotonin and acetylcholine. It sharpens mental clarity and cognitive ability.

Reduces Stress & Supports Emotional Balance

Known for its calming effects, Brahmi lowers cortisol levels and helps manage anxiety and emotional stress by acting as a natural adaptogen.

Improves Sleep Quality

Brahmi promotes better sleep by calming the mind and reducing restlessness. It increases deep sleep without sedation, making it ideal for sleep support.

Protects Brain from Aging

Rich in antioxidants, Brahmi helps shield the brain from oxidative stress, supports long-term cognitive health, and may slow age-related decline.

Nourishes Hair & Scalp

Brahmi helps reduce stress-related hair fall, calms scalp irritation, and supports strong, healthy hair through its antioxidant and soothing properties.

CARROT POWDER

A NATURAL SOURCE OF VITALITY, VISION & SKIN WELLNESS

Botanical Name

Daucus carota

Part Used

Root

Key Nutrients / Actives

Beta-carotene, Vitamin A

Shelf Life

12–18 months

BENEFITS

Supports Eye Health & Vision

Carrots are rich in beta-carotene (provitamin A), which helps healthy vision, supports night vision, and may reduce the risk of age-related eye conditions.

Improves Skin Glow & Repair

Packed with antioxidants like carotenoids and vitamin C, it helps boost collagen, improve skin elasticity, and protect the skin from oxidative stress.

Strengthens Immunity & Fights Free Radicals

It the immune system with their high levels of vitamin C and beta-carotene, which help neutralize harmful free radicals and strengthen the body's defenses.

Digestion & Liver Detox

Carrots promote healthy digestion and support liver detox by enhancing bile secretion and improving metabolism, making great for gut and liver health.

Provides Energy & Essential Nutrients

Naturally energizing, it offers dietary fiber, potassium, manganese, and vital phytonutrients – making it a great daily boost for stamina and vitality.

CURRY LEAVES POWDER

ELIXIR FOR HAIR, DIGESTION, AND VITALITY

Botanical Name

Murraya koenigii

Part Used

Leaf

Key Nutrients / Actives

Iron, Flavonoids, Vitamins A & C

Shelf Life

12–18 months

BENEFITS

Strengthens Hair and Prevents Premature Greying

Curry leaves are rich in beta-carotene, protein, and iron – nutrients that support hair growth, reduce thinning, and help restore natural hair color.

Boosts Digestion and Nutrient Absorption

Loaded with fiber and digestive enzymes, curry leaves stimulate digestion, reduce bloating, and enhance the absorption of nutrients.

Supports Blood Sugar Control and Metabolism

Curry leaves may help regulate blood sugar levels and improve insulin sensitivity, making them beneficial for metabolic health.

Promotes Liver Health and Detoxification

With antioxidant and liver-protective properties, curry leaves support detox processes and help reduce oxidative stress in the liver.

Natural Source of Iron and Folic Acid

Curry leaves provide iron and folic acid, making them a natural remedy for boosting hemoglobin levels and preventing fatigue related to anemia.

GILOY / TINOSPORA CORDIFOLIA POWDER

THE DIVINE IMMUNITY HERB

Botanical Name

Tinospora cordifolia

Part Used

Stem

Key Nutrients / Actives

Alkaloids, Glycosides

Shelf Life

18–24 months

BENEFITS

Powerful Immune Booster

It strengthens the immune system by activating key immune cells and increasing the body's resistance to infections.

Fights Fatigue and Supports Vitality

Known for its rejuvenating properties, It helps combat tiredness, supports energy levels, and fights cellular stress through its antioxidant effects.

Helps Reduce Fever and Infections

It help lower fevers and fight infections thanks to its anti-inflammatory and antimicrobial properties – even effective in cases like dengue-related fever.

Supports Healthy Blood Sugar Levels

It may help regulate blood glucose and improve insulin response, making it useful for managing Type 2 diabetes naturally.

Promotes Liver Health and Detox

It supports liver function by aiding detoxification, promoting regeneration, and reducing inflammation, which also benefits skin and digestion.

GINGER/ZINGIBER OFFICINALE POWDER

THE FIERY ROOT OF DIGESTION, IMMUNITY & VITALITY

Botanical Name

Zingiber officinale

Part Used

Rhizome

Key Nutrients / Actives

Gingerol, Shogaol

Shelf Life

18–24 months

BENEFITS

Supports Digestion and Eases Bloating

Ginger improves digestion by boosting stomach enzyme activity, speeding up gastric emptying, and reducing nausea and bloating.

Natural Anti-Inflammatory and Pain Reliever

Ginger contains compounds like gingerol that reduce inflammation, ease joint and muscle pain, and help relieve menstrual discomfort.

Strengthens Immunity and Fights Infections

Rich in antimicrobial and antiviral properties, ginger helps protect against common colds, flu, and seasonal illnesses by boosting immune defenses.

Clears Airways and Supports Respiratory Health

Ginger helps clear congestion, improves breathing, and reduces inflammation in the lungs – making it helpful for conditions like asthma and bronchitis.

Boosts Circulation and Balances Blood Sugar

Ginger supports healthy blood flow, helps regulate blood sugar, and improves insulin response – all while benefiting heart health.

GOKHRU/TRIBULUS TERRESTRIS POWDER

STRENGTH, VITALITY & KIDNEY HEALTH

Botanical Name

Tribulus terrestris

Part Used

Fruit

Key Nutrients / Actives

Saponins, Alkaloids

Shelf Life

24 months

BENEFITS

Boosts Strength, Stamina, and Fertility

It enhances physical strength, stamina, and libido. It also supports testosterone levels, improves sperm quality, and aids fertility in both men and women.

Supports Urinary Tract and Kidney Health

It acts as a natural diuretic – increasing urine flow, reducing kidney stone formation, and helping prevent urinary tract infections.

Rejuvenates the Body and Builds Endurance

It helps the body recover from fatigue and boosts overall vitality through its anti-inflammatory and antioxidant effects.

Balances Hormones and Supports Reproductive Health

It supports hormonal balance and improves reproductive fluid health. Research shows it may help manage PCOS and improve fertility.

Promotes Kidney Detox and Function

It protects kidney tissues and aids in detoxification by lowering urea and creatinine levels, supporting the body's natural cleansing processes.

GUAVA LEAF POWDER

A NATURAL SHIELD FOR DIGESTION, SUGAR BALANCE & SKIN CLARITY

Botanical Name

Psidium guajava

Part Used

Leaf

Key Nutrients / Actives

Quercetin, Tannins

Shelf Life

12–18 months

BENEFITS

Supports Digestion and Stops Diarrhea

Guava leaves strengthen digestion and help stop loose stools. Their natural compounds reduce gut inflammation and balance intestinal movement.

Helps Regulate Blood Sugar

They support healthy blood sugar levels by slowing carbohydrate absorption and improving fat metabolism – helpful for managing diabetes.

Clears Skin and Purifies the Blood

Guava leaves fight acne and skin irritation by purifying the blood and calming inflammation, thanks to their antimicrobial and anti-inflammatory powers.

Strengthens Immunity and Fights Infections

They help protect against colds, flu, and chronic infections by boosting the immune system and fighting harmful microbes.

Promotes Oral Health Naturally

Guava leaves support gum health, reduce bad breath, and help with mouth ulcers due to their powerful antibacterial effects.

GUGGUL/ INDIAN BDELLIUM / COMMIPHORA MUKUL POWDER

AYURVEDIC DETOXIFIER FOR JOINTS, CHOLESTEROL & METABOLISM

Botanical Name

Commiphora mukul

Part Used

Resin

Key Nutrients / Actives

Guggulsterones, Essential Oils

Shelf Life

12–18 months

BENEFITS

Burns Toxins & Reduces Fat

Eliminate toxins and excess fat from the body. Its active compounds, guggulsterones, help thyroid function and boost metabolism to maintain weight.

Supports Cholesterol & Heart Health

Guggul helps lower LDL (bad cholesterol), raise HDL (good cholesterol), and protect against fat oxidation – supporting overall heart function.

Reduces Inflammation & Eases Joint Pain

Proven to relieve symptoms of osteoarthritis and rheumatoid arthritis by reducing pain, swelling, and stiffness.

Rejuvenates Cells & Slows Aging

Packed with antioxidants and adaptogens, Guggul supports tissue repair, reduces oxidative stress, and promotes long-term vitality.

Promotes Clear Skin & Hormonal Balance

Guggul aids in managing skin issues like acne and pigmentation, especially those linked to hormonal imbalances.

HARDE/HARITAKI POWDER (TERMINALIA CHEBULA)

NATURAL DETOXIFIER

Botanical Name

Terminalia chebula

Part Used

Fruit

Fruit

Key Nutrients / Actives

Tannins, Gallic acid, Chebulinic acid

Shelf Life

18–24 months

BENEFITS

Balances Body Systems

Haritaki helps regulate various bodily functions and supports overall well-being thanks to its adaptogenic and restorative effects.

Detoxifies & Supports Digestive Health

Known for its gentle cleansing action, Haritaki promotes regular bowel movements, removes toxins, and supports a healthy gut environment.

Boosts Digestion & Nutrient Absorption

Haritaki enhances digestive enzyme activity, supports liver function, and improves the absorption of essential nutrients.

Promotes Cellular Health & Longevity

Rich in antioxidants, Haritaki helps protect cells from damage, reduces inflammation, and supports long-term vitality and immune strength.

Supports Eye, Skin & Oral Wellness

Haritaki contributes to clearer skin, healthier vision, and better oral hygiene through its purifying and protective effects.

LIQUORICE/MULETHI POWDER

SOOTHING HERB FOR DIGESTION, THROAT, AND HORMONAL BALANCE

Botanical Name

Glycyrrhiza glabra

Part Used

Root

Key Nutrients / Actives

Glycyrrhizin, Flavonoids

Shelf Life

18–24 months

BENEFITS

Soothes Throat & Supports Respiratory Health

Liquorice helps relieve dry cough, sore throat, and hoarseness with its soothing and anti-inflammatory properties that protect the respiratory tract.

Heals Gastric Discomfort & Reduces Acidity

It supports stomach lining health, eases acid reflux, and promotes healing of gastritis and ulcers by boosting protective mucus production.

Boosts Immunity & Fights Oxidative Stress

Liquorice offers strong antioxidant and immune-supporting benefits, helping the body defend against infections and cellular damage.

Supports Hormonal Balance & Fertility

Known to help regulate stress hormones and support adrenal function, Liquorice may aid hormonal harmony and reproductive health.

Brightens Skin & Reduces Inflammation

Liquorice helps fade dark spots, reduce redness, and calm irritated skin. It also inhibits excess melanin and inflammation.

SHATAVARI / ASPARAGUS RACEMOSUS POWDER

WOMEN'S WELLNESS, HORMONAL BALANCE & VITALITY

Botanical Name

Asparagus racemosus

Part Used

Root

Key Nutrients / Actives

Saponins, Phytoestrogens

Shelf Life

18–24 months

BENEFITS

Supports Lactation & Postnatal Recovery

Shatavari naturally boosts breast milk production and supports recovery after childbirth, making it ideal for new mothers.

Builds Strength & Boosts Vitality

Known for its rejuvenating properties, Shatavari helps fight fatigue, enhances immunity, and protects against aging and oxidative stress.

Promotes Hormonal Balance & Menstrual Comfort

With natural phytoestrogens, Shatavari helps regulate estrogen levels, ease PMS and menopausal symptoms, and support a balanced menstrual cycle.

Enhances Fertility & Reproductive Health

Shatavari supports reproductive strength in both women and men by improving uterine health, follicular growth, and sperm quality.

Soothes Digestion & Respiratory Tract

Its cooling, mucilage-rich properties help calm acidity, relieve dry cough, and soothe inflammation in the digestive and respiratory systems.

TRIPHALA POWDER

DETOX, DIGESTION & REJUVENATION

Botanical Name

T. chebula, T. bellirica, E. officinalis

Part Used

Fruit blend

Key Nutrients / Actives

Tannins, Vitamin C, Antioxidants

Shelf Life

24 months

BENEFITS

Supports Full-Body Balance & Wellness

Triphala helps regulate major body systems – digestive, circulatory, and immune – promoting daily detox and long-term vitality through its adaptogenic effects.

Gently Detoxifies & Supports Regularity

Acts as a mild, non-habit-forming cleanser that improves gut motility and supports healthy elimination without causing weakness.

Boosts Digestion & Nutrient Absorption

Triphala enhances enzyme activity, reduces bloating, and improves nutrient absorption by supporting a balanced gut microbiome.

Protects Cells & Slows Aging

Rich in antioxidants like vitamin C and polyphenols, Triphala helps reduce oxidative stress, support immunity, and promote healthy aging.

Enhances Skin, Eye Health & Metabolism

Triphala supports clear skin, eye function, and a healthy metabolism by purifying the blood, regulating sugar levels, and aiding fat metabolism.

TULSI/HOLY BASIL POWDER

IMMUNITY, STRESS RELIEF & RESPIRATORY WELLNESS

Botanical Name

Ocimum sanctum

Part Used

Leaf

Key Nutrients / Actives

Eugenol, Ursolic acid

Shelf Life

12–18 months

BENEFITS

Boosts Immunity & Fights Infections

Tulsi helps strengthen the immune system and protects against colds, flu, and microbial threats with its antiviral, antibacterial, and antifungal properties.

Supports Respiratory & Heart Health

Known to ease cough, asthma, and bronchitis, Tulsi improves lung function and helps maintain healthy blood pressure and cholesterol levels.

Reduces Stress & Enhances Mental Clarity

A natural adaptogen, Tulsi helps regulate cortisol, calm the nervous system, improve focus, and support better mood and sleep.

Aids Digestion & Detoxification

Tulsi supports metabolism, promotes liver health, and gently cleanses the gut – helping relieve bloating, indigestion, and mild constipation.

Clears Skin & Protects Against Damage

Its anti-inflammatory and antioxidant effects help reduce acne, soothe irritation, and promote a brighter, healthier complexion.

TURMERIC CURCUMIN POWDER

INFLAMMATION, IMMUNITY & RADIANCE

Botanical Name

Curcuma longa

Part Used

Rhizome

Key Nutrients / Actives

Curcumin

Shelf Life

24 months

BENEFITS

Fights Inflammation & Strengthens Immunity

Curcumin, turmeric's active compound, helps reduce inflammation, ease joint pain, and boost immune defenses against infections.

Purifies Blood & Protects Against Microbes

Turmeric supports liver detoxification and fights harmful bacteria, fungi, and viruses – promoting skin health and internal protection.

Brightens Skin & Reduces Blemishes

Known for its skin-enhancing effects, turmeric helps fade pigmentation, calm irritation, and protect against environmental damage.

Improves Digestion & Liver Function

Turmeric supports healthy digestion, reduces bloating, and promotes liver function by enhancing bile flow and detox activity.

Promotes Longevity & Cellular Health

Rich in antioxidants, turmeric protects cells from damage, supports brain health, and helps slow down signs of aging.

WHEATGRASS POWDER – ALKALIZING SUPERGREEN

DETOX, ENERGY & CELLULAR HEALTH

Botanical Name

Triticum aestivum

Part Used

Sprouted Grass

Key Nutrients / Actives

Chlorophyll, Vitamins A & E, Iron

Shelf Life

12–18 months

BENEFITS

Natural Detoxifier & Alkalizer

Packed with chlorophyll, wheatgrass supports liver detox, flushes out heavy metals, and helps balance the body's pH for better overall health.

Boosts Immunity & Rejuvenates Cells

Rich in antioxidants and essential nutrients, wheatgrass protects cells from oxidative stress, strengthens immunity, and supports long-term vitality.

Supports Digestion & Gut Health

High in fiber and enzymes, it promotes smooth digestion, eases bloating, improves bowel regularity, and supports a healthy gut microbiome.

Enhances Energy & Builds Healthy Blood

Wheatgrass helps increase red blood cell count and oxygen levels, boosting natural energy and helping combat fatigue and low iron levels.

Improves Skin & Hair from Within

Its internal cleansing effects reflect externally – promoting clear skin, supporting collagen production, and improving scalp and hair health.

OYSTER MUSHROOM POWDER

DETOX, ENERGY & CELLULAR HEALTH

Botanical Name

Pleurotus ostreatus

Part Used

Fruiting Body

Key Nutrients / Actives

Protein, B-vitamins, Antioxidants

Shelf Life

12–18 months

BENEFITS

Natural Immunity Booster

Rich in beta-glucans, oyster mushrooms stimulate the immune system, helping the body better defend against infections and illnesses naturally.

Supports Heart and Cholesterol Health

Helps maintain healthy cholesterol levels, promoting better heart function and overall cardiovascular wellness.

Rich in Antioxidants

Provides powerful natural antioxidants that help protect the body from oxidative stress and premature aging.

Promotes Healthy Digestion

High in fiber content, oyster mushroom powder helps improve digestion, bowel movement regularity, and gut balance.

Helps Regulate Blood Sugar

Naturally supports balanced blood sugar levels, contributing to better metabolic and energy management.

BUTTON MUSHROOM POWDER

DETOX, ENERGY & CELLULAR HEALTH

Botanical Name

Agaricus bisporus

Part Used

Fruiting Body

Key Nutrients / Actives

Polysaccharides, Selenium, Potassium, D

Shelf Life

12–18 months

BENEFITS

Natural Source of Vitamin D

A plant-based source of vitamin D that supports bone strength, immune function, and overall vitality.

Strengthens Immune Health

Button mushroom powder helps boost natural defenses, making the body more resilient to external threats.

Supports Heart and Metabolic Wellness

Rich in potassium and essential nutrients that help regulate blood pressure and maintain metabolic balance.

Enhances Brain and Nerve Function

Supplies important B vitamins that contribute to healthy brain function, focus, and nervous system support.

Promotes Skin Radiance and Anti-Aging

Helps maintain skin elasticity and promotes a youthful glow by naturally fighting oxidative stress.
